

Introducing the New Ergo Bank Mobile Banking App

Starting April 11th when you access your Touch Banking app you will be prompted with an Update, then redirected to our New Ergo Bank Mobile App in the app store for you to download, then login with your existing credentials and re-establish your information in the new app. Then you can either delete the Touch Banking app or leave it on your device. You will not be able to access the Touch Banking app again at that point. Any attempt to access the Touch Banking App and you will be redirected to the new app in the app stores.
